Rain Rain Rain will  
it never stop Oh I would  
give anything for fair  
weather as long as it  
rains I must give up  
the hope of getting to  
Seymour tomorrow and  
I do want to see Fader

SUNDAY 27.

1871.

Harold and I went to Seymour today thanks Heaven. Tade was not at church so I ran her right away. Cousin Lucy was home she and I went to ride for a little while after dinner then on her return Tade and I took a long long ride which I enjoyed so much. All things went and so did this happy day at Seymour. We left at 7 $\frac{1}{2}$  P.M. and just after we started it began to rain it rained ever so hard I liked to take us over but we had overcoats and shoes so we kept dry. found Harry Lee in Westbrook and brought him home.

Tade said she would send me a flower tomorrow.

MONDAY 28.

1871.

Went with Harold to his hotel  
to breakfast. After that I  
went over to East Haven  
to get a rustic basket  
from Olemyia (our Mary)  
Saw his brother, he had  
none finished that I  
liked, so I got him to  
do one for me while I  
was there, he will bring  
it over tomorrow as it  
was not dry enough for me  
to bring. Walked back, 2 1/2  
miles could not wait for  
the stage. Eate dinner  
and supper with Harold.  
Dorick Tade was here.  
Saw Miss Church of Seymour  
but did not get a chance  
to speak to her.

Tades flowers did not  
come. I am ever so  
disappointed.

TUESDAY 29.

1871.

Saw the Knights Templars  
(X) come in from all parts  
of the state to the grand  
encampment at West Haven  
they had several of the  
first bands in the state among  
which were Winchester Army  
Mass Band of N.H. the 3<sup>rd</sup>  
Conn Regt B.B. of Norwich  
Ct. Army B.B. of Hartford  
and Wheeler and Wilsons B.B.  
of Bridgeport the last two  
are the finest in the state  
I heard some splendid  
music. Otherwise I might say  
baked over, it is not  
quite dry so I had to hang  
it up untill tomorrow  
I did not send my  
flowers today. Can she  
have forgotten me, or  
even, Oh Heaven I hope  
not

May of Augusta yesterday

received no flowers from  
Tade yet what can the  
matter be. tonight I  
got a letter from Mills  
which had been forwarded  
from Seymour in Coriss's  
Jocies hands. I think  
What on earth is the matter  
with Tade

Went up to tell Son good-byes  
this morning and met a cousin  
of his a Miss Carrie Bredding  
I think her name is. Left  
N. H. on the Continental (via  
Dorset) about 4 o'clock. My  
attention was attracted by many  
persons looking in the direction  
of the sun and on turning  
around I found that they  
were looking at what appeared  
to be a second sun north  
of the real one at about this  
angle V and the same height  
it was not quite as bright  
nor as large but if the real  
sun had been hid I would  
have taken this for it. This phenomenon  
was produced by a cloud we  
afterward found out but it lasted  
over 10 minutes and was very curious  
Got to N. H. at 8 o'clock and  
found all well

as I was going back Chapel

was going to Anconia with  
a friend of his named Henry  
but they concluded they would  
go to Seymour so we all  
took the Derby train at  
10.10 and came out they  
went back after dinner.  
I played croquet all the  
evening. I don't imagine  
Tade thinks quite as much  
of me as she did before  
there was one Henry here  
tonight who appeared to  
be quite a favorite with  
her but perhaps what is

Poor little Tade has been sick all the morning with headache poor girl but she got better towards night and came down stairs. Cousin Josie and I have been out gathering autumn leaves. Cousin Luc and I went down to the village after dinner and there we all played croquet together. I don't think Tade cares much for me now she is going like all the rest. Oh God am I cursed is it decreed that who ever Loddie shall know must be my enemy; for truly it always happens so. I thought and that Tade would not be changed so easy.

Tade what under the heavens

was treated so by her before  
can it be possible that  
Eddie has poured poison  
in her ears too. Oh I am  
I hope not. she only  
deigned to smile on me  
for a short while tonight  
Well tomorrow is my last  
day. I wonder how she  
will treat me then. I  
will go away ever heartier  
surely if she don't back  
better

October,

THURSDAY 12.

1871.

Cold and windy the air is  
full of smoke, too full that  
I could look at the sun with  
my naked eye anytime many  
say that it comes from the great  
fire which has been raging in Chicago  
for the last two or three days.

Chicago smoke in Connecticut hills  
that seems strange don't it!

Tade has been more gracious today  
she played croquet with me a short  
while but I hardly know whether  
she was sure to see me leave or  
not yet she kissed me like she was

FRIDAY 13.

1871.

Have been out buying things to  
take home all day. I would  
give any thing if I was  
only in Legation. What  
under the sun made her  
act as she did. I wrote  
her today and told her  
all about the man. God  
was doing me and my friend.  
I ought to get on again  
Sunday morning. I take  
the precaution this time to  
carry my letter down  
to the General's office.

Have been among the art galleries nearly all day saw Dubouff's painting of the Prodigal Son it is three paintings in one the center one is where he spends his money in "riotous living" it is  $42 \times 19$  ft and contains 39 life size figures each of itself being a masterpiece of work. the two others are in numbers and are on the left where he is a swineherd on the right his father welcoming him back home these are about  $8 \times 19$  each. The whole forms a perfectly superb piece of work.  
Tonight I drew a little

Comer 1871.

Left New York at 8 this morn  
and got here at 11 met Uncle  
Willie at the depot he came  
on the same train from  
Perky. I found out what  
was the matter. Tade was  
not mad with me but  
being mad with Chas to  
suffer for. it is all right  
now. Thank Heaven.

The Comers Sue and I  
went in one buggy Mrs.  
Raney and wife in another  
and Mr. Rayns and Miss Smith  
in another. We then went  
to hear Kellogg sing started  
at 5 o'clock got there at 7  
had good seats and heard well.  
I liked her very much. got back  
home at 12 o'clock. I did not  
know the road and it was  
ever so dark over had hills and  
narrow bridges too. Poor Tade has  
sick headache from it.

WEDNESDAY 18.

1871.

Pom Little Fades was still sick  
with head ache when we got up  
but she got better and came out  
about dinner time. After dinner we  
all went over to Mr. Keahney's to  
play croquet and stay to tea  
we had a first rate time indeed  
I am so glad Fades explained it to  
me why she acted so when I  
was there before. I have fixed  
it all up now. ~~But~~ I am  
afraid that they will believe  
Uncle Willie's stories and as they  
have heard the truth already  
about most of them from me  
they will think I am telling  
the story instead of him  
It is quite cold an overcoat  
is comfortable

October, THURSDAY 19. 1871.

Played croquet all the morning  
at noon Cousin Amelia came  
out. Then I went in the church  
and skeletoned an 143 for Uncle  
Willie. But had to stop for dinner  
after dinner I finished it there  
after Aunt and Uncle good bys  
Tade and F. Uncle Willie and Cousin  
Rue and Cousin Jane & Amelia  
went to the depot and I have  
told Tade good bys for the  
last time in a long long while  
God Bless her.

We left Leymon at 4 o'clock  
and got in the old stick  
hole at 8. I carried two cats  
to a Miss Glenderson in Stamford  
for Cousin Jane but as she could  
not find anyone at the depot to  
take them I will keep them  
and carry them home I =  
further. Found all pretty Leymon  
and all the dear Cousin there

FRIDAY 20.

1871.

Homeward Bound. I am  
writing this on the Potomac  
because I had no light to see  
by last night (20). Was very  
busy all day and only had time  
to run up to see Hartshorn  
a few minutes. I had an  
awful headache but started  
home anyhow left N Y at  
9.20 P M got a chair car  
Have brought the two cats and  
the hanging basket and  
would have brought anything  
else if I could it from the  
Johnsons. I don't believe I  
ever saw a family I loved  
more. Well I am some  
where between N. Y. and  
Philadelphia tonight and  
know only know where I  
will ever see Ade again
